

Commonwealth Clydesdale Horse Society - WA Branch

Buying A Clydesdale Horse - Things to consider..

When looking to buy a Clydesdale Horse the CCHS WA Branch would suggest you consider the following information:

General Information

- ☞ What do you wish to do with your Clydesdale Horse (ie. Harness, Riding, Show Ring, Breeding)
- ☞ Do you want a Pure Bred Registered, Un-registered or Part-bred Clydesdale
- ☞ Are you after a Mare, Gelding, Filly, Colt or Stallion
- ☞ What are the main qualities you require in a Clydesdale horse (temperament, height, conformation, age, experience)

Show Horse/Broodmare/Stallion

- ☞ Ask the breeder/seller about Dam, Sire and Progeny to see what they have achieved in the show ring.
- ☞ Visit as many breeders/sellers as possible to ensure you choose the right horse for yourself.
- ☞ Research the breed standards to base your selection on.

Working / Ridden / Harness Horse

- ☞ Ask the breeder/seller what level of experience the horse is at.
- ☞ Ask the breeder/seller to demonstrate the horses abilities—if they say the horse is broken to chains then see the horse work in chains.
- ☞ See if a trial period is available.
- ☞ Check the sale price is within your limits.
- ☞ Fill out and compare the results of the following questionnaire to make an informed decision.

☞

The CCHS WA Branch asks that enquiries regarding horses for sale are addressed only to the breeder/seller of the individual horse, and not to other members of the Society.
